

June 6, 2022

Kim Short,

On behalf of Moms for Liberty-Volusia, we offer our endorsement of your 2022 candidacy for School Board District Three.

We offer this endorsement because we are confident that you represent our mission to fight for the survival of America by unifying, educating, and empowering parents to defend their parental rights at all levels of government.

As a public servant, you are responsible to those you represent. With our endorsement, we place in you our trust and will hold you accountable for the promises you make to the parents and students of your district. We also offer our assistance, as needed, in the fulfillment of your elected duties should you win. We strive to build relationships that serve the community's best interest and welcome the opportunity to help you be successful in your role.

We extend our heartfelt thanks for your willingness to take on the important duties of this office and for being a candidate we feel will represent and protect parental rights.

In Liberty,

Jenifer Kelly, Chapter Chair

Moms for Liberty-Volusia
