

From the Desk of:
Senator Tom A. Wright

Candidate Endorsement

After careful review and discussions, I feel the right person in this 2022 election year, should have the experience and ability to manage the requirements of a Volusia School Board Member. This person should have business experience as well as teaching experience. This person should be a parent of children that are or have been students in the Volusia County School District. And this person should have a good working knowledge of the current Volusia County School Board. And be a resident of the district for which she is looking to represent.

As an employer of more than 48 years, I can recognize these qualities in Kim Short and hereby express my endorsement of her. And I will defend Kim Short as the right person to fill this open Volusia County School Board position.

Tom A. Wright
